EXTRA LAW ENFORCEMENT Why Some Burned But Others Didn't

Editor's Note: After a fire, looking back, it is natural to wonder what if things had been different? Why did certain homes burn to the ground while others were saved? Perhaps by looking at that it may save someone the loss in the future, so this is very worthwhile reading: From the CALIFORNIA DEPARTMENT OF FORESTRY comes the following:

"Fifty-two homes were lost on Napa County's Atlas Peak fire. The California Department of Forestry is not satisfied with just noting this fact and then forgetting it. C.D.F. is investigating the reasons why some homes were lost and some saved. Regional Chief Richard Ernest of the C.D.F. North Coast area who instigated the investigation said "we must establish all the factors that relate to these tragic losses."

Several things relate directly to whether a home is lost or saved. First, it must be determined what clearances around the home from flammable vegetation existed prior to the fire. California Public Resources Code 4291 requires a minimum 30' clearance between natural vegetation and any improvement such as a home, garage, or barn. This clearance may go to 100' where the surrounding growth is heavy enough to demand the additional barrier. Some property owners comply with this law, but then make the mistake of substituting ornamental shrubbery that is also highly susceptible to fire.

Second, many homes in wildland areas are built to burn. Several factors worth noting are: the use of wooden roofs, the use of wooden siding, large expanses of glass that allow radiant heat penetration, and the placement of the home on slopes with portions of the home overhanging tinder dry wildland fuels.

Third, fire defense of a wildland home may depend on adequate water supplies for fire fighting purposes: a swimming pool is great if it is built where a fire engine can get close enough to use it. Driveways must be large enough for fire apparatus.

The fire safe considerations mentioned are some of the factors that make a difference. Chief Ernest has stated that C.D.F. must learn from its bad fire experiences to plan legislation and recommendations that could CAUSE IT AGAIN!!!

LETTER TO THE EDITOR:

Recently we circulated a petition to have the steel jawed leg-hold trap banned because of the damage to our wild and domestic animals.

The Berryessa News, Gerri and Ray Elliott, volunteered to distribute, monitor and collect the petitions around the lake.

Through their efforts we were able to collect about 1,000 signatures more than we normally would have had.

A big "thank you" for a magnificent job. We are extremely grateful for their help.

Sincerely,
BOB & SHIRLEY ARCHIBALD
BILL & RUTH WHYTE
THE ANIMALS

SO VERY, VERY SAD!

He was so close to the 100-year birthday celebration that his many friends here, and his daughter Viola, and son-in-law Darryl Holly, had looked forward to ... but Luis A. Garcia, 99, we are so sad to report, passed away last Friday, June 26th.

Louie, as we knew him, celebrated many of his birthdays at Putah Creek Park, where he used to reside with his daughter and son-in-law, who manage the motel there. At his last big party held there, with relatives from all over the United States in attendance, Nick Petsas, owner-operator of Putah Creek Park Resort, promised Louie that if he was here for his 100-year birthday the entire party would be on him! Nick too feels very

bad that it was so close - just 38 days - and there would have been a terrific celebration here!

Luis was born on August 4, 1881, and is survived by his three daughters, Viola Holly, here; Mary in San Francisco; and Ida, in Monterey Park, near Los Angeles, as well as many, many grandchildren and great-grandchildren.

Services were held on Tuesday, in the Los Angeles area, where Luis had recently been residing. Viola has requested that any donations be made to the donor's favorite charity.

"Good brandy, good cigars, and good women" is what Louie attributed his long lifetime to. We all enjoyed being with him, sharing his good times here at the lake.

Our deepest sympathy to Viola and the rest of the family!

Religious services are held here at the lake EVERY weekend, through Labor Day weekend, as follows:

Every Saturday, at 5 P.M., is the Catholic Service. Every Sunday, at 9:30 A.M., is the nondenominational service.

These inspirational services are held outdoors, under beautiful Oak trees, on Spanish Flat Loop Road, almost directly behind Central Valley Building Supply on Berryessa-Knoxville Road. There is no charge - and every one is welcome!

GUESS WHO wants to "do it together" with one drink and two straws?

spanish flat movies

UNDER THE STARS

This Friday and Saturday, July 3rd and 4th, the feature movie will be: "THE BOATNICKS" starring Robert Morse, Phil Silvers, and Steph. Powers. It is a Walt Disney hit, and a cartoon will be shown also. Next week, on Saturday, July 11th, the feature movie will be: THE APPLE DUMPLING GANG RIDES AGAIN", a Walt Disney hit.

There will be no gate fee for those attending the movie. Charge for the movie will be \$2.00 for adults, \$1.00 for children under 12, with 3-years and under free.

Movie starts at dark, about 9 P.M. and it is suggested that you bring chairs or pillows to sit on.

PARTY TIME

Ladies! Looking for a different, fun way to spend a Saturday afternoon and have a really good time?

At Putah Creek Restaurant and Lounge, on Saturday, July 11th, at 1 P.M. Lucile Prather invites you to a "TRI CHEM LIQUID EMBROIDERY PARTY", and she will be serving FREE champagne for those who want to learn an easy, good way to make gifts, or beautiful things for their homes.

Then, on Saturday, July 18th, at 1 P.M. - same place - Terry Kloger invites you to a fun-filled "FASHION TWO TWENTY COSMETIC PARTY". Learn how to look beautiful without looking made-up ... a beautiful new YOU!!

"HAPPY BIRTHDAY"

First, a big greeting to Pete Leung of Turtle Rock who will be celebrating another year that Jo Ann let him live, on Tuesday, June 30th! Seriously, we all love you and hope you had a good day!

On Monday, July 6th, Millie Streif who works at Evan's Barbecue on Capell Valley Road will be celebrating her day with what is hoped is lots of nice things.

"Happy Birthday" to you both - and to anyone else we may not know about!

Markley Cove Resort

Reported by
KEN RETTIG

We have had lots of nice fish checked in this week, mostly trout, taken on small trout lures, mainly the spoon type.

Claude Davis and his friends have been getting limits of trout every time out. They go out early to beat the heat. He has been using the new lure, but it is the same as last year, when they gave him some samples of the Pop-R. We took many, many bass on it but could not get delivery on it till after the good fishing was over. Hope they don't wait that long this year! This lure is real good. It gets fish as fast as the Andy Reeker lure, which is no longer on the market.

Most trout have been taken around 45 to 48 feet, but last week I took a few at 65 feet, and one at 65 feet.

The bass are out there, but not too many people are fishing for them.

Cat fishing is good late evening and early mornings. Fish shallow then, but during the day they are deeper, 10 to 20 feet.

Last week a young lad was fishing by a brush pile and was getting a few Blue Gills, and he thought he got a few crappies, but as near as I could tell they may be

Red Ear Perch. They were shaped like Blue Gill, the color was a silver green, and the black spot on the gill cover was outlined in red. Anyone who knows what they are please let me know. Till next week - keep cool!

OVER THE HILL FISHING CLUB NEWS

By Claude Davis - From the nearest resort to the dam at Lake Berryessa:

We need more members, so join us at Markley Cove Resort! We have a Fishing Contest every week. It runs Friday, Saturday and Sunday.

Someone from the Bay Area must have read about our "Over The Hill Fishing Club", and called me. He has already joined now. He wanted to know where Markley Cove Resort was. My answer was, "Markley Cove Resort if the nearest DAM resort at Lake Berryessa. Go to Winters and drive right through town. Markley Cove Resort is about one mile past the DAM."

We in the club are murdering good limits of trout in Markley Cove. Most are 45 feet deep, and the RED, RED HOT lure for Trout now is: "MR. CHAMP". The finish on the lure is silver plate and reflects light much more farther than chrome plate, also much more light.

The speed we find for making the trout really grab Mr. Champ is determined wh-

en we lower the lure into the water. Just imagine Marilyn Monroe walking fast! Mr. Champ will do a sexy shimmy, and the trout just can't pass it up! You will know when the lure is shimmying fast, and that is the speed to set your throttle.

We like the small shad sized lures. I consider Mr. Champ the best trout lure we ever used!

Mr. Champ is now available at Markley Cove Resort NOW! Weber Tackle Co. from Stevens Point, Wisconsin makes this RED-RED-HOT trout grabbing lure!

MORE "OVER THE HILL FISHING CLUB NEWS" . . . Today, Friday, Bruno Parker and I used the RED-RED-HOT trout catching lure, Mr. Champ, made by Weber Tackle Co. in Stevens Point, Wisconsin.

We had 3 big trout in the boat by 7 A.M. and finished catching our limits by 9:30 A.M.

All trout hit Mr. Champ at 40 feet, 45 feet, and one at 20 feet. All in Markley Cove.

We use Big Jon Downriggers to get our lures deep. It is very, very easy to do. NOW IS THE TIME!!!

Jeff Millington of Seaside, and Dean Graham of San Jose caught their trout by the dam, deep, sixty feet, on Needle Fish and Andy Reekers. The trout weighed from 1 to 1-1/2 pounds. (Photo is compliments of Markley Cove Resort Store.)

At 47 feet, in Markley, from 6:30 A.M. to 8 A.M. Claude Davis and Buddy from Esparto, made this nice catch on a magic lure. (Photo is compliments of Markley Cove Resort Store.)

GUESS WHO says it is "too hot to fool around"?

Is there a new strain of small fish in the lake? Butch Anderson of Vacaville, holds some Blue Gill, and what appears to be some kind of perch. He caught them on red worms and minnows. (Photo is compliments of Markley Cove Resort Store.)

All these were caught on the new "TROUT KILLER" Ask at the store for the new, red hot lure, MR. CHAMP. Bruno Parker fished with Claude Davis, and they have two limits of beautiful Rainbow trout, all caught in Markley Cove, 45 feet deep. (Photo is compliments of Markley Cove Resort Store.)

WEDDING BELLS

CONGRATULATIONS TO THE NEWLYWEDS IN THE ABOVE PHOTO, RICHARD AND CAROL ANN (McGinnis) HAMZY, who exchanged wedding vows last Saturday, June 27th, at the home of the bride's parents, Ed and Ruth McGinnis, on Capell Valley Road here at the lake.

The beautiful 3 P.M. outdoor ceremony was followed by a reception at the same location, with lots of very delicious food, and cool refreshments, which were very much in demand because of the extremely hot temperature of the afternoon.

Attending the lovely, beautiful bride were Maid-of-Honor Leslie Heywood and bridesmaids, Barbara Hanson, sister of the bride; Jennifer Morton, and Renee Margo.

Attending the groom were: Best Man Mike Jones, and Gary McKay and Mike Farley.

Ring Bearer was young Benjamin Robinson, who was dressed in a wine colored suit, with pink ruffle shirt, same as all of the other male attendants.

The ladies were in beautiful floral gowns, as was the little Flower Girl, Brooke Robinson. All had lovely floral headgear.

Ruth McGinnis made all of the very, very lovely dresses for the girls, she made her own beautiful dress, and even was the creator and seamstress for her daughter's beautiful white gown, as well as doing most all of the headgear for all of the ladies. She really did a fantastic job!!

Following the wedding the newlyweds will spend a brief honeymoon in Trinity County, and then will reside in Napa, where Richard is employed by SurfKote, and Carol for Microfiche Publishers, Inc.

WE ALL WISH THEM A VERY HAPPY AND LONG LIFE TOGETHER AND HOPE THEY WILL ALWAYS BE AS HAPPY AS THEY WERE LAST SUNDAY!!!

BERRYESSA 4-H CLUB NEWS

Reported by
DENISE MORROW

At the June meeting of the Berryessa 4-H Club, there was an election of officers. Doug McLean will act as President of the club for the coming year. Stacy Pridmore will act as Vice President. Denise Morrow was elected as the club's Reporter. Chris Rogers will be Secretary of the club, while Robin Pridmore will act as Corresponding Secretary. Tina Harris will act as the club's Treasurer.

Song Leaders will be Sandy Morrow, Angelique Barthelmy, Michelle Rapenecker, Kim Price, Gina Harris, and Julie Graham. Leaders in charge of Recreation are Mike Price and Joe Rogers. Sergeant-at-Arms duties will be handled by Donny Pridmore and Todd Morrow. The club's Host will be Jeff Stanley, while the Hostesses will be Kirsten Clark and Nichole Chance.

Members in Beef and Sheep projects told how their animals are doing. Sheep project members were told that Sheep Meetings will start on June 18th.

Members were told that there would be a Recordbook Workshop at the next Horse Project meeting. Members wishing to earn awards for their recordbooks were urged to attend.

We talked about the Calistoga Fair and discussed set-

NEWS

By ELSIE PLUNKETT

Hurrah for the Fourth of July and our very precious independence! Independence Day was first observed in Philadelphia on July 8, 1776. The Declaration of Independence was read, (it wouldn't hurt us to read it again either!), bands played, the bells were rung, and the people rejoiced. Independence Day has been celebrated ever since throughout the country on the Fourth of July, the day the Declaration of Independence was adopted by the Continental Congress in 1776. We hope you all will have a lovely Fourth of July weekend and stop and think, in the middle of the

RESORT

fun, how lucky we are to have the opportunity to work for it - to keep it, because it can be easily lost if we are not careful, as we have seen in many countries around the world ...

One of the celebrations in honor of Independence Day will be the Boat Parade on Saturday organized by the Lake Berryessa Chamber of Commerce. It was a lot of fun last year, and we hope a lot of you will take part.

Last Saturday we had a happy and beautiful wedding in Capell Valley between Carol McGinnis of Lake Berryessa, and Richard Hamzy of Napa, held at her parents Ruth and Ed McGinnis's place in Capell Valley. We all wish the bride and groom together!

Last weekend we had a group of about 100 people from the Maritime Academy in Vallejo, camping up here. They really enjoyed

it and had a great time boating, swimming, barbecuing and relaxing. We at Spanish Flat enjoyed having them, and welcome them back.

The Outdoor Movies at Spanish Flat will be held **FRIDAY AND SATURDAY** instead of Saturday and Sunday as printed on the program that some people have. The movie is a rousing comedy called "The Boat-nicks" (Walt Disney) with several cartoons before the movie.

We warn people **NOT TO FIRE OFF FIRECRACKERS OR ANY KIND OF FIREWORKS!** The fire danger this year is extreme. It is also **ILLEGAL** and anybody who gets caught will immediately be evicted from the resorts. We ask people to look out for anybody who has firecrackers and immediately report them to the Sheriff's Office or to the local police.

Three weeks ago Spanish Flat Resort and Spanish Flat Inn combined with a party for their staffs before the real hot (!) season started. It was held on the big beautiful deck with a combined steak barbecue and pot luck hors d'oeuvres, dalads and other delicious things. Tom had the bar out there, Joy and Bob Dunlap provided the big barbecue, and Harry Hart, our terrific cook from the Lake Snackbar, took care of the steaks that the Inn had picked out and were they good!! Everybody had a real good time and felt that the party idea was so good it will have to be repeated. Thank you Tom and Pat for "housing" us all. It was great fun!

Spanish Flat Inn will have a dance band Friday and Saturday. This time it is the "Traces"

who are playing and it should be lots of fun to celebrate the Fourth with them.

Religious Services will be held Saturday at 5 P.M. (Catholic Mass) and Sunday at 9:30 A.M. (Non-denominational) at Spanish Flat Loop Road under the Oak trees.

Friends joined Mickey Walker last Saturday night at South Shore Restaurant and Lounge to celebrate his 74th birthday. His wife, Judith, helped him serve the delicious cake, and everyone had a really great time! Hope it was just one of many more happy days to come.

ting up a booth.

Angelique Barthelemy and Michelle Rappenecker did a demonstration on the parts of the English saddle and bridle and what they are used for, entitled "The English Saddle and Bridle". They are now eligible for a special award.

There will be no club meetings in July or August. The next meeting will be held on September 21, 1981, at Capell School, at 7:00 P.M.

4-H HORSES

Reported by DENISE MORROW

At the June 18th meeting of the Berryessa 4-H Light Horse Project we had a recordbook workshop. All 4-H members were welcomed. Our guests, the Rogers, Chris Rogers, and Doug McLean helped members with their recordbooks. Denise Morrow also helped members with recordbooks. This workshop was for any 4-H member who wanted to get a star for their recordbooks.

Denise Morrow announced that she had gotten a 4-H Clinic Schooling Show organized and the members voted on a judge. Sue Hill was elected. The Clinic will be held on July 8th.

Members were told to try and pick 1st, 2nd and 3rd Place winners in the coming Monticello Horseman's Association Horse Show on June 28th. We are supposed to write down who we think the winners are before the announcer announces the results. We are supposed to include our reasons and turn in the results at our next 4-H Horse Meeting.

4-H HORSE SHOW CLINIC

Reported by DENISE MORROW

On June 26th the Berryessa 4-H Light Horse Project held a Horse Show Clinic at the Napa Valley Camping Resort. Outcome of each class are as follows:

Stacy Pridmore won the Showmanship Class on Lady; Kelly Danforth got Second on Cetus; Sandy Morrow got Third on Cinnamon; while Tina Harris got Fourth Place on Bucky.

In Halter, Stacy Pridmore won on Lady; Tina Harris got Second on Terraco; Kelly Danforth got Third on Cetus, and Denise Morrow got Fourth on Cinnamon.

In Western Pleasure, Kelly Danforth won on Cetus; Sandy Morrow got Second on Cinnamon; Tina Harris got Third on Cetus; Julie Graham got Fourth on Toy; and Stacy Pridmore got Fifth on Bucky.

In Western Equitation Tina Harris got First on Terraco; Denise Morrow got Second on Cinnamon; Kelly Danforth got Third on Cetus; and Julie Graham got Fourth on Toy.

In Trail, Stacy Pridmore won on Cetus; Denise Morrow got Second on Cinnamon; Kelly Danforth got Third on Cetus; Sandy Morrow got Fourth on Cinnamon; and Tina Harris got Fifth on Terraco.

SPECIAL THANKS TO SUE HILL FOR COMING UP TO JUDGE OUR SHOW, AND TO BILL DENNIS AT THE NAPA VALLEY CAMPING RESORT FOR LETTING US USE THEIR ARENA.

File-Up
One time they talked about "two cars in every garage." Now we're putting all of them there!
—Bob Orben.

torque-ish bath.

CYCLIST KILLED HERE

Craig Francis Flynn, 19, stationed at Travis Air Force Base, was killed instantly late last Sunday evening on Highway 128, just north of Steele Canyon Road, when he failed to make a sharp curve while traveling 70 to 75 miles per hour on his motorcycle.

According to the California Highway Patrol, Flynn lost control of his motorcycle, went off of an embankment and completely through an 8-foot tree limb, then burst into flames.

Pronounced dead at the scene, Flynn reportedly was from Connecticut, but possibly had relatives living in the Berryessa area, which could have been why he was in the area, but we were unable to verify this as of press time.

Dead off Bunkin' traps. Ball-thirsty pond.
Woods and rough out there, say, I think it much more accurate.
To call it the unfairway.
—Bert Kruse.

HUNTERS: DEER TAGS LOCATION CHANGED

Hunters wishing to pick up deer tags in person rather than having them returned by mail must go to the new license section location at 1722 "J" St., Sacramento, Department of Fish and Game license chief Mac Foster said in a reminder issued today.

All services of the license section are being transferred to the new site 13 blocks from DFG headquarters at 1416 Ninth St. There is on-street parking at the new location.

The deer tag application information telephone numbers are (916) 323-9821 and (916) 323-9822.

WHY SOME BURNED BUT OTHERS DIDN'T

mendations that will reduce these costly losses in the future.

MORE DANGER AS RESULT OF FIRE!

Beware of confused and hungry wild-life after a fire! Watch out for rattlesnakes! Many kinds of animals hide from advancing flames, and after the ashes cool, they emerge to search for food. Skunks, snakes, mice and other small animals will be seen searching for a new place to live. They may be dazed, confused and weak from hunger and thirst. All can be unpredictable and potentially dangerous to people. Don't touch wild animals seen near the burned areas!

For dispatch of injured or dead animals contact Napa County Animal Control, phone (707) 253-4381, during the week and weekends. If there is no answer contact the Sheriff's Office, (707) 253-4501, and they will relay message to Animal Control.
