### Lake Berryessa / News from Capell Valley Elementary!

It has been a busy summer at Capell Valley Elementary! Take a drive by Capell Valley Elementary and you might notice some fresh changes, the school has been painted over the summer and the grounds are being embraced by beautiful 10" tall Sunflowers that the students planted!

Every Thursday morning dedicated parents, students and members of the community come by to weed water and pick vegetables from the garden! We are encouraging our students to give back to the community so the students have also been donating vegetables to the local food bank. Please feel free to join us Thursdays from 9-11!

The PTA has been very busy this summer as well, meeting and planning many exciting things for this next year! We would like to invite everyone in the community to help support Capell Valley elementary by joining our escrip program! It's easy! Just register your Safeway, Macy's or Visa/Mastercard @ [www.escrip.com](http://www.escrip.com) and choose Capell Valley elementary as the school of your choice. Capell Valley Elementary will receive a % of your purchases. Also, please feel free to donate to our BOX TOPS fundraiser! Just drop off your box tops at the school office.

Recent Testimonial: *"We love Capell Valley Elementary because our daughter has the same teacher for several grades and the teacher is able to move her up in her studies if she needs and her teacher knows her and the family at an intimate level. We love the fact that the kids that she goes to school with are also in her neighborhood. We like the family atmosphere at the school and we know our child is loved at the school!" - Mr. & Mrs. Payne*

Also! Don't forget! Karate is being offered at the Capell Valley Firehouse **Wednesday's from 5:30pm to 6:30pm!** Ages 4 and up! Come down and join the fun! \$8.00 per class!

## FISING WITH SID

July 25<sup>th</sup> I took Mike and his wife Kathy from Pa. out for a day of fishing. My game plan was to fish our way to the vineyards. We started off by trolling a lipless crankbait on one side of the boat and a minus lure on the other side (closest to the shore). Trolling in about fifteen feet of water over grass and rocks we hit some bass approx. 1.5 to 2 pound fish. Mike stood up on the back of the boat and threw a chugger towards the shoreline. He hit some nice size bass 2+ pounds. He landed a 5.4 pound bass using brass and glass with a green senko in twenty feet of water at one of the key points (see photo). Kathy who had never fished before and wanted to out fish her husband gave it a good try and landed some nice bass but he out fished her. We had a good time and a very productive day. Friday evening I met up with my friend Albert B. and we did some fishing from the dock and caught two catfish a 4+ and a 8 pounder and a few carp. We had help from some of the kids at the dock (see photo). Sunday I fished with Tom and his sister-in-law Maria & Anthony. We lost about 8 carp and landed six nice ones. "til net time good fishing!!!!!!

Lake Berryessa - Pensus

We've learned that the contract between the Pensus Group and the BOR has not been signed and is not expected to be signed before the end of September.

Also the rumor that Steele Park Resort has filed for a 2-year extension of their contract IS NOT TRUE!

Another Berryessa Fire at Same Location as Previous Blaze

A grass fire burned 100 acres Friday night at Lake Berryessa near Spanish Flat and the Capell Cove public launch ramp. The new fire was adjacent to the burned area from a fire on May 27, 2008 which was sparked by a hot truck exhaust.

A fire crew from Ukiah was on duty Saturday afternoon. Although they enjoy the excitement and public service aspects of their work, they did say they are a bit tired and that this summer has not allowed them much time at home.

This fire, which started at around 5:45 p.m. across the street from Capell Cove launch ramp, was contained at 7 p.m., according to CalFire. There were no injuries. The cause is still unknown although CalFire said the cause was "suspicious" and is still under investigation.

Power went out down Knoxville Road all the way to Berryessa Pines before 7 PM that evening and was not restored until 7 PM the following day (Saturday). As of 2 p.m. Saturday, 915 people remained without power according to PG&E. A power switching surge hit the Berryessa Highlands resetting some computers and clocks but not disrupting service. Berryessa Knoxville Road was closed to traffic until 11 a.m. Saturday.

Although owners of several homes and businesses in the Spanish Flat area were very concerned, the fire was halted about a mile from most structures. A fire hose was readied on Steele Canyon Road above Steele Park Resort in case any burning embers were blown toward the Berryessa Highlands.

Cucina Italiana was forced to close for two days due to lack of power. Spanish Flat Country Store remained open selling as much food from their coolers as they could, as well as cold drinks and ice. Thanks to Paul Quarneri of Berryessa Electronics and Mechanical Services generators were humming at Spanish Flat Village to keep refrigerators cold to preserve food. The Berryessa Senior Center Barbecue went on with a small but enthusiastic crowd. Turtle Rock Bar never lost power and was full of local residents watching the Olympics on Saturday. At least the weather was pleasant at only 90 degrees with a breeze. Sun. morning cool & calm, Cal Fire was still on duty.

### FISING WITH SID

The last couple of weekends I found that trolling for bass has been the most productive. Early morning I like to troll in 8 to 10 feet with a minus lure that dives about one foot and as the sun goes over head I go into deeper water (20 to 30 feet) and use a deeper diving lure that goes 6 to 10 feet down. The shallower lure closer to shore. While trolling on my son's pontoon boat with my daughter-in-law (see photos) our score within an hour was three bass each. I took our friend Terry and her two sons and daughter out for a couple of hours on my boat. My boat is a Lund fully loaded. We trolled and had a great day catching bass. I spent one evening in my favorite cove and I decided to only use a top water lure. Within an hour's time I had eight nice size bass. Bad part of story is that I threw my favorite top water "chugger" into about two feet of water where I saw some activity and sure enough a fish devoured the lure and dragged it to some bushes, my line snapped trying to reel him in and alas the lure never surfaced. I waited for quite awhile and it never did come up. I had that "chugger" for at least twelve years and it caught me a lot of nice bass even though I have another like it, it's just not the same. 'til next week.....good fishing!!!!!!!!!!

### HA! HA! Harvey SISTER MARY ANN'S GASOLINE

Sister Mary Ann, who worked for a home health agency, was out making her rounds visiting homebound patients when she ran out of gas. As luck would have it, a Texaco Gasoline station was just a block away. She walked to the station to borrow a gas can and buy some gas. The attendant told her that th e only gas can he owned had been loaned out,but she could wait until it was returned. Since Sister Mary Ann was on the way to see a patient, she decided not to wait and walked back to her car.She looked for something in her car that she could fill with gas and spotted the bedpan she was taking to the patient. Always resourceful, Sister Mary Ann carried the bedpan to the station, filled it with gasoline, and carried the full bedpan back to her car. As she was pouring the gas into her tank, two Baptists watched from across the street. One of them turned to th e other and sa id, 'If it starts, I'm turning Catholic.'

**Ha! Ha! Harvey**, A man and his wife walked into a dentist's office. The man said to the dentist, Doc, I'm in one heck of a hurry.

I have two buddies sitting out in my car waiting for us to go play golf, so forget about the anesthetic and just pull the tooth and be done with it.

We have a 10:00 AM tee time at the best golf course in town and it's 9:30 already.

I don't have time to wait for the anesthetic to work!

The dentist thought to himself, My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain.

So the dentist ask him, Which tooth is it sir? The man turned to his wife and said, Open your mouth, Honey, and show him.
